#### CEO REPORT

Welcome to 2022 ! It is hard to believe it is now 2 years since we first heard the words COVID-19, social distancing, close contact, booster vaccinated, RAT tests and the list goes on.

In South Australia and particularly here in the Riverland, other than a couple of short sharp lockdowns, we had been blessed to live relatively restriction free and COVID free for the last few years. That is until late November, when the floodgates (our borders) opened, and we now have to transition to a living with a COVID-19 world.

For some it was a blessing to again be able to see family and friends from interstate, for others it was a concern and worry about going from COVID free to living with COVID.

Here at Riverview, we are doing all we can to keep our residents as safe as possible, whist still enabling them to enjoy life. Our staff undertake daily RAT tests and wear N95 masks and eyewear, and visitors also RAT test daily on entry.

To date this year, we have had 2 staff test positive to covid-19 that had worked in their infectious period – before they knew they were a close contact. As soon as they found out they were a close contact they did not work and undertook the necessary testing. In addition, 6 other staff have also tested positive to COVID, but had not worked in their infectious period, and therefore posed no risk to residents or other staff. It is a Commonwealth Government requirement that ALL positive staff are reported, regardless of whether or not they have worked in their infectious period

For example; if a staff member is on annual leave and contracts COVID-19 whilst away on holidays and has fully recovered by the time they return, that still needs to be reported and is counted in the Commonwealth government figures that the media picks up on. As per communications to residents and their representatives, one resident PCR tested positive to COVID-19, and has since recovered. A further 8 staff have had 14 days off work due to being notified they were a close contacts and did not contract COVID-19. At the time of writing, they are now all back at work. One visitor has tested positive since we have commenced our visitor RAT screening program and therefore did not enter the facility.

Please be assured that whenever either a staff member, resident, or visitor that has been in the facility during their infectious period tests positive to COVID and has exposed the facility, we will always let our residents, their representative and our staff know.

I sincerely thank all of the staff that have worked double shifts, split shifts and overtime during January and February to ensure that we maintain the best quality care and services possible during these trying times. I would also like to thank all residents and their families/representatives for their understanding and cooperation.

Thankyou Nicolle Jachmann Chief Executive Officer

## What has been happening during the month of JANUARY /FEBRUARY at Riverview?

#### **Riverview Chapel Offerings**

Every month chapel offerings are donated to a variety of organisations.

For the month of January \$105.00 in donations went to Loxton High School Chaplaincy program and February \$100.00 went to Riverview Rest home . Thank you for your kind offerings. If you wish to make an offering on Wednesdays during chapel please see the Lifestyle Staff for a chapel voucher.

### March Chapel offerings will be donated to Loxton Lutheran School bibles for students

#### Drive around Town

When the weather is fine, we take a drive

around town, this time we chose to drive around the River to see how high it has risen and if any one was fishing ! And we took a drive to Lyrup too !

#### Australia Day Celebrations

We celebrated with a different type of game this year. As we have a high river, there has been talk of yabbies, so out they came for a game of "the great Australian Yabbie Crawl"

#### Craft with Anna Da Costa

In January we gathered around the tables and began a craft project of mosaic fish

which will be displayed alongside some of Annas art work for Riverview. Watch this space.

#### Reminiscing with the Radio Show Blue Hills.

I'm sure you all will remember this radio show

that was broadcast at midday when you were all home eating your lunch. It was a broadcast not to be missed ! Lifestyle played episode 4,345

and a few more which even brought people out of their rooms once they heard the familiar music that began the episode. This series went for 27 years ! From 28th Feb 1949 till 30th Sept 1976.

#### Aged Rights Advocacy Service (ARAS)

February saw Riverview residents engage in their first ever ZOOM meeting. They met Sarah from ARAS on line and listened as she spoke about what advocacy means, what the Charter of Aged Care rights are, and how can ARAS support you—the resident to uphold your rights. The meeting was interesting and generated some discussion and comments at the end of the presentation.

#### Celebrating Valentines day 14th February

Riverview celebrated

this day with a very decorated dining area and special display in Traeger. Our residents celebrated the day remembering what it was they LOVED to eat, drink, smell, see and listen to the sound of. We then wrote on each thought onto love heart and placed them around the dining room.

#### Harvest Thanksgiving Service 16th Feb.

What a lovely celebratory service it was ! We are thankful for SO much here at Riverview, for good health, support, secure care, rooms, fun, worship and love.

ENTINE'S

A gift from Woodleigh Childcare Centre. The children sent our Residents some lovely cards, which was appreciated with happy smiles from our residents in Traeger.

Our Traeger residents also enjoy every opportunity to seek sunshine and a chance to get the hands in the ground and weed our garden.

A generous gift of love from Barb, a dear friend of Volunteer Leanne Farr who

dropped off some fiddle muffs for our residents to use in Traeger. Thankyou so much !

#### When your in your room..

Lifestyle can come to you and provide you with games to stimulate the mind. We introduced some Ipad games which have been well received by many residents.

#### Interactions with the Lutheran School

Our residents were fortunate to watch the

Lutheran School chapel service on line where bibles were given to the students.

Some of our chapel offerings

Gifts of love from Woodleigh Childcare centre.

Our residents In Edwards were gifted with a small greeting card from the children of Woodleigh. This brought many smiles to our faces.

went to the purchase of these bible for these students.

We also Zoom called the year 1 class at Loxton

Lutheran and listened to them sing Jesus Loves me. We were exited to be able to chat to them LIVE ! What a blessing to see them again.

When the SUN shines we enjoy each others company outside, it was a lovely day to smell the roses and chat

together about current events in Loxton. We read the local Murray Pioneer and spotted people that we knew.

#### Mini Golf Fun !

This game would happen to be a Riverview family favourite. We were even able to get a few staff members to have a go !!

**Friday Morning Exercise on the mini Bike Pedals**. Pictured here are Gloria and Vling getting a good workout on the legs! These bike pedals induce much competition as we ride to

#### Book Reading—A Man called Possum .

Some of our residents can remember many stories of this famous local Renmark man called Possum . Its been a very interesting read! Thanks to volunteer Rosie Hahn who has allowed us to borrow the book.

**Pictured here** is resident Susan who celebrated her birthday in January, thanking Chef Greg for the MOST AWESOME birthday cake !

We would like to wish a big Happy Birthday to our residents who are celebrating in **FEBRUARY**
